“AT HOME ALONE”

Parent & Child Workshop

Thursday Sept. 28th, 2017

6:00 - 8:00 pm

Are you wondering if and when it may be safe to leave your child at home alone? Perhaps to run a few errands? Does he/she need to spend a couple of hours home alone before or after school due to your work schedule or other commitments? Come join us for a highly interactive program for parents AND their children aged 10 - 14 years. This workshop is geared to help families assess and prepare their

children to be home alone safely. We will review the five easy steps to independence, increase safety knowledge, and help you and your child develop a safe, and reassuring “at home alone plan” together.

Presented by Theresa Santos, Toronto Public Health Nurse
